

# 20<sup>th</sup> World Congress of Paediatric and Adolescent Gynaecology

2023  
WCPAG  
Belgrade

WELCOME TO

On behalf of the Serbian Society of PAG and local organising committee, it is our great pleasure to invite you to join us in wonderful Belgrade, from 18 to 21 May 2023 for the 20th World Congress of Paediatric and Adolescent Gynaecology. This meeting is organized under umbrella of our Federation International - FIGIJ which celebrate the 52nd Anniversary.

What a time to visit this lovely White city. The days are long, the sun is warm(ish) and the science is hot. The meeting will see a return to the hotel with a view to Kalemegdan fortress, the location of the last great world meeting in Belgrade 1978. It is a great place of our congress: spacious and light and just minutes from both the airport and the city centre.

For those of you new to Belgrade, you will find a beautiful city: open, green, small enough to walk around, sited on the two rivers and with a colourful and pretty city centre unblemished by skyscrapers. It doesn't take long to understand why Belgrade is home to the 'hospitality people'. Is it the many friendly bars? The way in which striking modern Danish designed buildings plays alongside the many waterways? Or could it be, the oldest park located near to Milošev konak? Or is the new Belgrade waterfront in the middle of the city? Whatever it is, aside from the famous sights and the smiles, you will enjoy a city with some of the best restaurants in the world, as well as many bistros, bars in which almost everyone speaks fluent English.

Altogether a worthy location for the equally wonderful FIGIJ meeting. With cutting edge science, inspirational speakers, and unrivalled networking opportunities, you really need to be a part of it.

We look forward to welcoming you!

Zoran Stanković  
WCPAG 2023 Chair

Dear Friends and Colleagues,

A welcome message of encouragement from FIGIJ! Please join us and like-minded clinicians at this premier PAG event held every three years to celebrate the growing subspecialty of global Paediatric and Adolescent Gynaecology.

The organising committee have worked extremely hard to prepare an exciting and comprehensive programme which will enthral even the most experienced PAG clinicians and provide a platform for those who are just starting out to be trained in PAG. Moreover the Congress will provide new learning experiences, enlightenment on topical subjects and opportunities to interact with the world's most experienced practitioners in the subspecialty.

You will be able to participate in all the facets that make up Paediatric and Adolescent Gynaecology and will return with new knowledge and skills for your gynaecological practice. There is much to learn and disseminate!

Having visited and lectured in Belgrade on PAG before (and not in 1978 I hasten to add when the city last hosted this Congress) I can assure you of the warmest of welcomes and a fun-filled social programme. Fond memories will be guaranteed.

As I write this I do so with mixed feelings given that the World Congress will mark the end of my tenure as President of FIGIJ which commenced in Melbourne in December 2019. Since then the world has changed so much yet by Belgrade 2023 we look forward to the human interaction that has been so absent from early 2020 onwards.

Come to WCPAG 2023 in Belgrade and make it a Congress to remember! The FIGIJ Board and I look forward to seeing you there. You won't regret it!

Paul Wood  
President FIGIJ

# EXHIBITION AREA

Located at the Mezzanine Level

Exhibition will be placed in front of the main conference hall, ensuring maximum interaction with the delegates.

## Exhibition schedule

Thursday	May 18	08:30 – 19:00
Friday	May 19	08:00 – 19:00
Saturday	May 20	08:00 – 18:00
Sunday	May 21	08:00 – 12:00

## Insurance

The Organizer of WCPAG 2023 has not public liability insurance which covers all injuries to persons during the event; liability to any movable property which will be damaged or lost during the event.

You are kindly asked to acquire sufficient insurance as exhibitor. We also recommend that you have additional coverage against loss or damage to exhibition materials during transport and during the exhibition itself. Please make arrangements for insurance coverage through your company's insurer.

## Observance of Statutory/Rules and Regulations

With respect to the use of the agreed exhibit space or the content of a luncheon symposium, the Sponsoring / Exhibiting Company acknowledges that it shall be solely responsible for the observance of all statutory rules and regulations applicable to the jurisdiction in which the Congress venue is located.

The Sponsoring / Exhibiting Company is obliged not to conduct any social or other activity within the official congress hours and during the hours of industry sponsored symposia, which would take people away from the congress venue.

## Coffee and Lunch breaks

Located at the Mezzanine Level / Exhibition area

Coffee stations and lunch boxes will be served according to the official programme. Every registered participant will receive vouchers during the registration which will be given in exchange for a lunch box for all three days of the meeting.

# SCIENTIFIC INFORMATION

## SPEAKERS AND PRESENTERS' PREVIEW ROOM

Located at the Mezzanine Level / DUNAV hall

The speaker/presenter centre is equipped with computers. All speakers are required to check in their presentations at least 2 hours before their session, or on the day before for the early morning sessions.

## E-POSTER AREA

Located at the Mezzanine Level / TISA hall

E-Posters are presented as non-discussed posters only.

To establish the contact with the authors of posters use their e-mail address from presentation.

### Opening Times

Friday	May 19	10:00 – 17:00
Saturday	May 20	10:00 – 17:00

## EACCME ACCREDITATION INFORMATION

WCPAG 2023 has been accredited by the Serbian Health Council as an International Congress, with 10 credits for passive participation and by the European Accreditation Council for Continuing Medical Education (EACCME®) with 17 European CME credits (ECMEC®s)

To receive the EMS-EACCME Certificate, it is necessary to fill in the EACCME® participant's evaluation form (afterwards via link that will be sent).

The amount of ECMEC®s given on the certificate will be issued automatically on the basis of your presence.
