## WELCOME TO WCPAG 2023

On behalf of the Serbian Society of PAG and local organising committee, it is our great pleasure to invite you to join us in wonderful Belgrade, from 18 to 21 May 2023 for the 20<sup>th</sup> World Congress of Paediatric and Adolescent Gynaecology. This meeting is organized under umbrella of our Federation International – FIGIJ which celebrate the 52<sup>nd</sup> Anniversary.

What a time to visit this lovely White city. The days are long, the sun is warm(ish) and the science is hot. The meeting will see a return to the hotel with a view to Kalemegdan fortress, the location of the last great world meeting in Belgrade 1978. It is a great place of our congress: spacious and light and just minutes from both the airport and the city centre.

For those of you new to Belgrade, you will find a beautiful city: open, green, small enough to walk around, sited on the two rivers and with a colourful and pretty city centre unblemished by skyscrapers. It doesn't take long to understand why Belgrade is home to the 'hospitality people'. Is it the many friendly bars? The way in which striking modern Danish designed buildings plays alongside the many waterways? Or could it be, the oldest park located near to Milošev konak? Or is the new Belgrade waterfront in the middle of the city? Whatever it is, aside from the famous sights and the smiles, you will enjoy a city with some of the best restaurants in the world, as well as many bistros, bars in which almost everyone speaks fluent English.

Altogether a worthy location for the equally wonderful FIGIJ meeting. With cutting edge science, inspirational speakers, and unrivalled networking opportunities, you really need to be a part of it.

We look forward to welcoming you!

Zoran Stanković  
Congress President

Paul Wood  
President FIGIJ
